| 712388            | clinical practice observation course in hearing impairment(1)                   | 1              | -              |
| 712394            | clinical practice observation course in articulation &phonological disorders(1) | 1              | -              |
| 712396            | clinical practice observation course in swallowing disorders(1)                 | 1              | -              |

| <b>Term 7</b>    |   |                |                |
|------------------|---|----------------|----------------|
| <b>Lesson No</b> | <b>Lesson Name</b>  | <b>Credits</b> | <b>Pre. No</b> |
| 712312           | research project  | 2              | 15             |
| 712398           | clinical practice observation course in SLI(1)                                  | 1              | -              |
| 712390           | clinical practice observation course in developmental dyslexia&dysgraphia(1)    | 1              | -              |
| 712392           | clinical practice observation course in aphasia(1)                              | 1              | -              |
| 712393           | clinical practice observation course in voice disorders(1)                      | 1              | -              |
| 712332           | clinical practice observation course in resonance disorders(1)                  | 1              | -              |
| 712387           | clinical practice observation course in MR&PDD(2)                               | 2              |                |
| 712318           | clinical practice observation course in speech non-fluency(2)                   | 2              | 40             |
| 712323           | clinical practice observation course in articulation &phonological disorders(2) | 2              | 43             |
| <b>Term 8</b>    |   |                |                |
| <b>Lesson No</b> | <b>Lesson Name</b>  | <b>Credits</b> | <b>Pre. No</b> |
| 712398           | clinical practice observation course in   | 1              | 37             |
| 712399           | clinical practice observation course in SLI(2)                                  | 2              | 38             |
| 712314           | clinical practice observation course in developmental dyslexia&dysgraphia(2)    | 1              | 39             |
| 712392           | clinical practice observation course in aphasia(2)                              | 1              | 41             |
| 712322           | clinical practice observation course in voice disorders(2)                      | 2              | 42             |
| 712395           | clinical practice observation course in resonance disorders(2)                  | 1              | 44             |
| 712334           | clinical practice observation course in swallowing disorders(2)                 | 1              | 46             |

## Term 9

| Lesson No | Lesson Name   | Credits | Pre. No |
|-----------|---|---------|---------|
|           | learning psychology   | 2       | -       |
|           | play therapy  | 2       | -       |
|           | screeninig in speech therapy  | 1       | -       |
|           | paraclinical methods`application in speech therapy                            | 2       | -       |
|           | augmentative &alternative communication methods in speech &language disorders | 2       | -       |
|           | communication disorders in geriatric population                               | 1       | -       |
|           | principles&methods of group activities  | 1       | -       |
|           | pharmacology for speech&language therapists                                   | 1       | -       |
